Community Review July 2007

SBA continued its community commitments through 2006 - 2007 with key initiatives again including the Relay for Life and the Ride for Youth.

Relay For Life

Thanks again to all of those who helped the "Men O' Paws" community team for the 2007 event.

This year our cause was particularly well supported and SBA's contributions were dedicated to our good friend and insurance industry character Bob Bolton, who unfortunately lost his battle with cancer in 2007.

Despite raising over \$10,000 more than last year, we could again do no better than third place in the Community Section (this being the third year in a row). In total the event contributed significantly to the W.A. Cancer Council and remains part of the largest fundraiser in the world.

A link to the Relay for Life website is included in the relevant section. **Beware all** as the Mighty Men O Paws will be back next year.

Ride for Youth

Ride for Youth was a great success again, with Renee deVoogd taking part, and it remains the largest contributor of monies to the very valuable work of Youth Focus.

We again applaud Renee for her great work. A link to the Ride 4 Youth website is included in the relevant section.

World Vision Sponsorships

A new initiative this year has been our sponsorship of five African children through the agency of World Vision. Each of our support staff has their own "adoptee" in a different African country and they are thoroughly enjoying the interactions with them.

Other Fundraising

Other fundraising this year included our ongoing support of Fairbridge House as well as other causes.
