Community Update May 2008

Relay For Life

SBA and our valued supporters had our best ever result in the Relay for Life this year, with the renamed "Cotton on to Cancer" (formerly the "Men O' Paws") rising from 3rd to 2nd in the overall Community Fundraising Section.

The total contributed by SBA sponsored teams over the last 4 years is now heading towards \$100,000, a total which we should be able to crack with next years venture.

Again sincere thanks to all of the clients, staff, insurers, suppliers and others who assisted with the 2008 event.

A copy of the May 2008 "Relay for Life" Newsletter is posted elsewhere on our site.
