

## **SBA Staff Additions June 2011**

SBA is pleased to announce the following new Team Members

### **Ryan Mansom**

Ryan joins us after 4 years as National Leader of global broker Marsh's upstream energy practice in Australia.

Prior to Marsh, Ryan spend a number of years at Aon including a 2 year period seconded into their London office, where he handled a variety of large petroleum explorers and producers

Ryan has excellent relationships with energy underwriters globally, and with the Singapore market in particular. His primary responsibility at SBA will be to service and grow our already strong book of Energy exploration and production companies, as well as contractors to these industries.

### **Sandra Roberts**

Sandra also joins us from Marsh having previously been with Aon.

Her experience includes many years working in the Australian, New Zealand, and South African insurance markets, predominantly servicing large scale resource or corporate clients

Her work at SBA will include handling her own book of clients as well as assisting on a number of our larger mining and construction customers

Ryan and Sandra are both welcome additions to our team.
