

SBA Wins 2008 Australian Business Award for Enterprise

In September 2008 SBA was honoured with an Australian Business Award for Enterprise.

This national award is evaluated by an independent judging panel of business experts in accordance with the award criteria across seven main areas: leadership, impact, adaptability, corporate culture, customer and market focus, uniqueness and evidence of success

In 2008 a total of 1,726 entries were received across all categories, with 211 being shortlisted and ultimately 82 awards being granted. SBA was the only Western Australian based winner in the Enterprise category.

SBA would again thank our clients, insurers, suppliers, and staff for their ongoing support which makes such recognition possible.
