

SBA Wins ANZIIF 2011 “Services to the Community” Award

SBA has won the 2011 Australian & New Zealand Insurance Industry “Services to the Community” Award for 2011

The award recognises Insurance Industry participants that have made outstanding contributions to the communities in which they live and work. SBA’s win is the first time that a broking company has been so honored, and also the first time a company of our relatively small size has won the award, which has previously only been given to large insurer organisations.

The establishment and work of the SBA Foundation was a key determinant in the judges thinking.

We are particularly proud to have been chosen in this category as it is reflective of our ongoing focus on community and charitable causes.
