

SBA Wins “Red Kite” Corporate Quiz

Against a field of 70 of W.A.’s top businesses, SBA has won this year’s Red Kite Corporate Quiz, thereby gaining the (temporary we are sure) honour of being called Perth’s Smartest Company

This is the 5th consecutive year SBA has supported Red Kite and the event was a major success again, raising much needed funds to support kids and their families going through the cancer journey.

As usual most of the credit needs to go somewhere else, in this case to our Underwriter team members, who seemed to have a head for useless facts which most of the SBA employees on the table had long since drunk out of their memories.

We will be back next year to defend!!
